Mobile: 9422810805, Email: bhushanrl-cgwb@nic.in

Dr. Bhushan R. Lamsoge is presently working as Senior Hydrogeologist/Scientist 'D' at 'Rajiv Gandhi National Ground Water Training and Research Institute', Central Ground Water Board, Department of Water Resources, River Development and Ganga Rejuvenation, Ministry of Jal Shakti, Government of India.

He did his M.Sc. (Geology) in 1997 and Ph.D. in 2013 from *Rashtrasant Tukadoji Maharaj (RTM) Nagpur University, Nagpur.*

He has about 3 years of experience in Himalayan hydrogeology during his posting at Jammu (then J&K State) and 16 years of experience in hard rock basaltic hydrogeology especially in groundwater modelling, groundwater monitoring, hydrochemistry, groundwater exploration, aquifer mapping and managed aquifer recharge. He was associated with National Aquifer Mapping and Management Programme of Government of India.

Apart from various National technical/scientific trainings, he obtained training on "Integrated Water Management" during December 2017 at Japan International Cooperation Agency (JICA), Tsukuba, under the International Cooperation Program of the Government of Japan.

He has reviewed research papers for Journal of Environmental Engineering, American Society of Civil Engineers, Journal of Irrigation and Drainage Engineering, American Society of Civil Engineers; Journal of Water and Climate Change, Journal of the Indian Society of Remote Sensing and Journal of Geoscience Research.

He has published 26 papers in various International and National Journals/seminars/workshops and about 75 departmental reports. He jointly edited a special volume of the Journal of Geoscience Research, a collection of papers presented at the National Seminar on "Challenges in Groundwater and Surface Water Resources in India" organised jointly by the Gondwana Geological Society (GGS), Nagpur and Department of Geology, RTM Nagpur University, Nagpur.
