ACTIVITIES & ACHIEVEMENTS

Rajiv Gandhi National Ground Water Training and Research Institute, Raipur

Government of India

Ministry of Jal Shakti

Department of Water Resources, River Development & Ganga Rejuvenation

Central Ground Water Board

2020

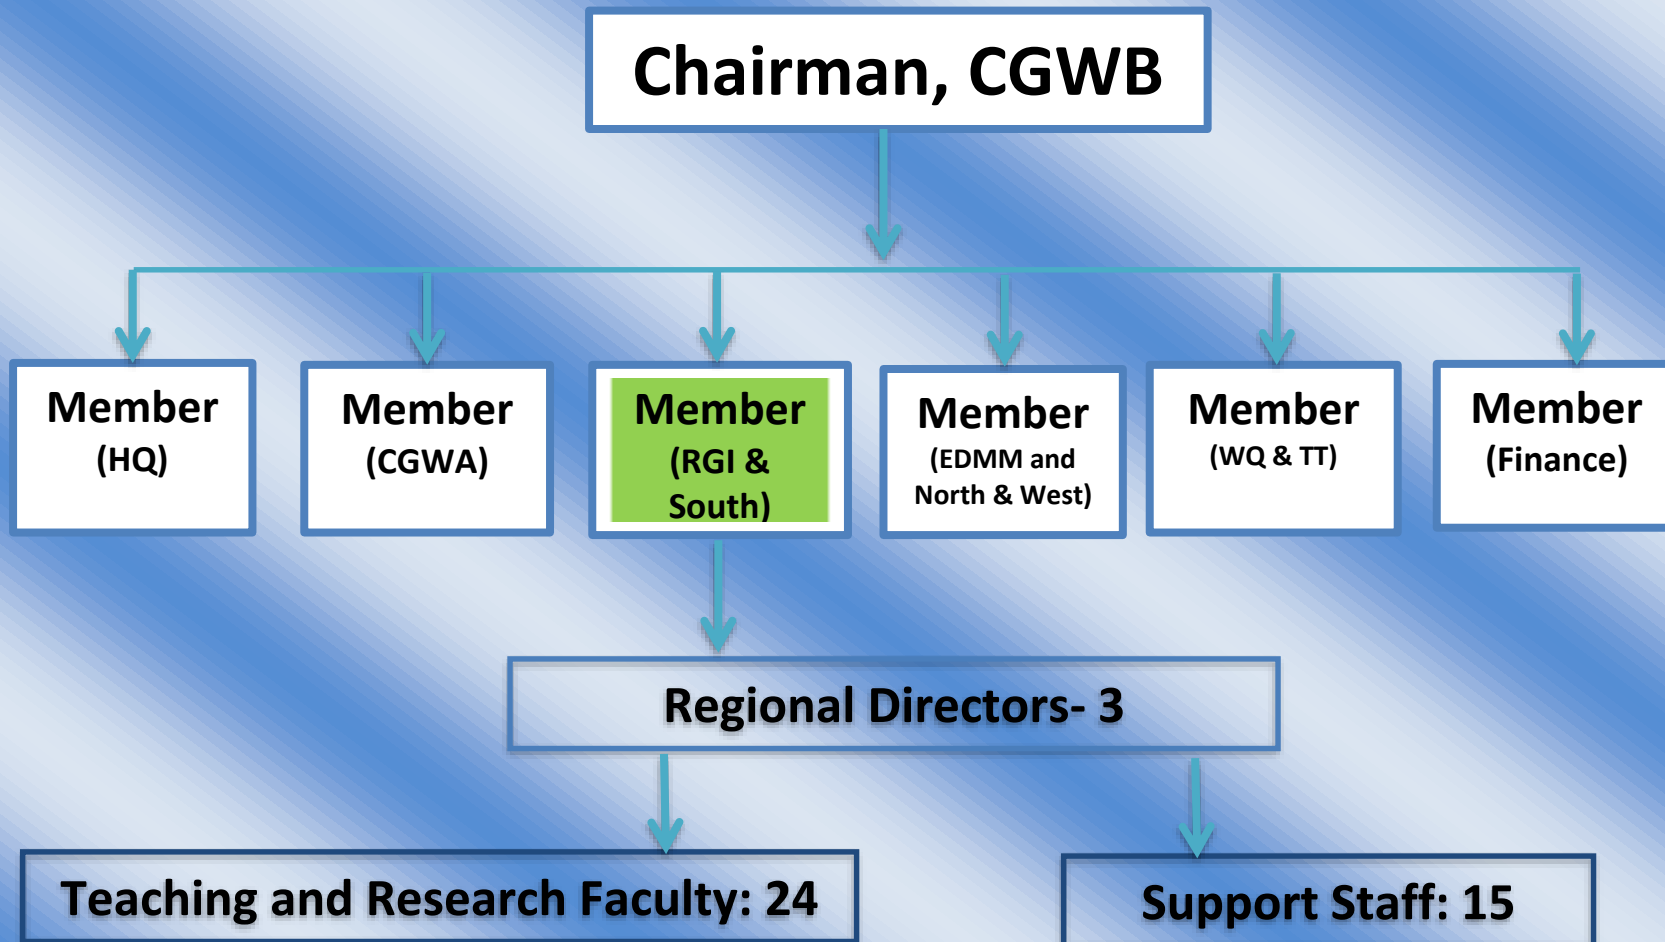

OUR VISION

Centre of Excellence for Training and Research for Sustainable Development and Management of the Ground Water Resources of the Country

OUR MISSION

- **To impart state-of-the-art training to professionals and sub-professionals engaged in ground water resources development and management in India and abroad.**
- **To carry out field based and theoretical researches and collaboration with other institutions/organizations for field level replication.**
- **To exchange technology and information with other leading institutions in India and abroad.**
- **To impart certificate and diploma courses in ground water related fields to professionals.**

ORGANIZATIONAL STRUCTURE

MAJOR ACTIVITIES

- **Capacity building of CGWB personnel.**
- **Capacity building of professionals from different Central and State Government Departments, Public Sector Undertakings, NGOs, as well as faculty members and students from Academic Institutions.**
- **Capacity building of stake-holders at grass root levels including farmers.**
- **Customised training programmes for students, professionals from different organizations and countries.**
- **Research and Development.**
- **Collaboration with Universities / Research Institutes.**

TRAINING POLICY AND TRAINING PLAN

RGNGWTRI has adopted Training Policy of the Ministry of Jal Shakti, Department of Water Resources, River Development and Ganga Rejuvenation (2014).

Implementation

- Training database prepared.
- Training Need Analysis of CGWB worked out.
- Annual Training Plans for CGWB prepared and implemented.

THREE TIER TRAINING PROGRAMME

TIER-I (National Level)

- Professionals from Central/State Govt. Departments, Public Sector Undertakings, NGOs, Academics, TOTs, etc.
- Induction/mid-career mandatory trainings for employees of CGWB.

TIER – II (State Level)

- State Govt. Officers, NGOs, VOs, Academic Institutions etc.

Tier-III (Block Level)

- PRIs, State Govt. Officials, NGOs, Progressive Farmers and other Stakeholders at grass-root level

These trainings are aimed at overall capacity building in ground water sector and creation of a trained workforce for implementation of the National Project on Aquifer Mapping for sustainable development and management of the ground water resources of the Country.

RESEARCH & DEVELOPMENT

NEW CAMPUS OF RGNGWTRI, RAIPUR

HERE WE ARE.....

- Providing training to professionals of CGWB, other Central and State Government Departments, PSUs, Academia and NGOs.
 - Conducting TOTs, Tailor-made Courses, and Outreach Programmes.
 - Organised total 1175 training courses till date, training about 80,600 candidates from India and abroad.
 - Imparted training to foreign nationals such as for Nepal, Yemen and Group of African countries under Indo-African Forum Submit.
 - Received *Excellent* rating as per feedbacks received from trainees.
 - We are Key Resource Centers for National Hydrology Project, Drinking Water Mission of the Ministry of Jal Shakti, convergence with MGNREGA, etc.
-
-

THE WAY FORWARD.....

- To be an International Centre of Excellence in training, research and development in ground water sector and to take up R & D studies.
 - Arrange Long-term research programmes through collaborative approach and Technology Transfer in both basic and applied ground water research.
 - To be a Centre of Excellence for participatory ground water management.
 - Develop Outreach, Distance and E-Learning programmes.
 - Exposure on International practices to Indian experts through fellowships, study tours and conferences.
 - Sustainable Faculty Development Programmes.
-
-
